Electrical code basics and recommended practices for kitchen renovation often seem like pointless rules cooked up in an office boardroom, as electrical code eventually does get hammered out across conference tables. Most of it, however, originates from people who work in the field: electricians, contractors, and other industry professionals.

Souse is a variety of head cheese found in Pennsylvania Dutch cuisine. Head cheese is not a dairy product but rather a product made from (tah dah...) the head of an animal (usually pig or calf) along with some other left-over "scraps" that remain after butchering and often include the feet, tongue, and heart.. In a frugal household or in peasant cultures, no part of an animal that can be ...
