Priestesses to Demeter were called Melissae, a name synonymous with Bee. Persephone was also known as “The Honeyed One” and Bees were sacred to Persephone as well. This links the Bee to the mysteries of death and rebirth and further connects to some traditions in which Bees represent the travel of Souls between this world and the Underworld.

A Bee Hive is a mini-biome located in the Underground Jungle. The hive itself is made from Hive blocks; on the interior, it contains pools of honey and typically one Larva. Destroying the Larva summons the Queen Bee. Any projectile, tool, weapon, or enemy will destroy the Larva with a single hit, so caution should be taken around the Larva if the player is not ready to fight the Queen Bee. The ...

The Fairy Bell is a Hardmode Light Pet summoning item that summons a glowing creature resembling a Pixie, which follows the player and provides light for an infinite duration. The summoned Fairy is either pink, green or blue, the color of which changes randomly each time the player clicks while holding the item. The Fairy is faster and brighter than the Shadow Orb and Crimson Heart, but not as ...

Set Tier Items are equipment items with the designation ST and are part of a special themed set. ST sets confer additional stat bonuses to the wearer when at least two pieces of the same set are worn. When all items of the set are equipped together, the character will transform, adopting a set-specific skin and benefiting fully from the stat bonuses of the set.
