Anyone who says learning how to write a book is easy has never actually tried. If they did, they'd know writing a book takes a lot more than a helpful piece of grammar software. This is called affiliate marketing, and it's a great way to grow your audience and your revenue while letting somebody else do the marketing for you.

How to Write A Book

Description. At Scribe, our copywriters use the “Hook, Pain, Pleasure, Legitimacy, Open Loop” format, which is very similar to how we write introductions. (Note that these instructions are optimized for non-fiction books. Fiction book descriptions follow different rules.) 1. Write A Compelling Hook

specific, when beginning a
launch, I would begin by
pricing the book at \$0.99
for the launch period. Then
I would set the price to
2.99, and I would moderately
increase the price by \$1
every week and measure how
well the new price performs.
