- Due to the weight (built in 70kg) and size of cookers, 2 persons are required to manually manoeuvre them. Remove loose items such as oven racks and trays to minimise weight.
- Do not use the handle to lift the cooker, instead open the oven door and lift the roof of the oven cavity.
- Take care when lifting to avoid any sharp edges

Rated 5 out of 5 by JenelTX from Great features take my cooking to the next level I love to cook, and I've been amazed by the features in this combination wall oven. I wasn't sure I'd care about the steam oven feature, but it turns out to be one of my favorite things. I thought it would make food soft, but potatoes cooked with Steam Roast have a wonderful crispness to the exterior.
