This course is an introduction to the Arabic language and culture. Students work with a variety of media to master reading and writing the Arabic alphabet and develop listening and speaking skills in both the Modern Standard Arabic that is understood by more than 300 million Arabs around the world, and the Levantine dialect used in Jordan, Palestine, Syria, and Lebanon.

Orson Scott Card's The Last Shadow is the long-awaited conclusion to both the original Ender series and the Ender's Shadow series, as the children of Ender and Bean solve the great problem of the Ender Universe—the deadly virus they call the descolada, which is incurable and will kill all of humanity if it is allowed to escape from Lusitania. One planet.
