The Gruffalo. is a wonderful book by Julia Donaldson. It was featured earlier this year as part of our Virtual Book Club for Kids. The Gruffalo tells the tale of a mouse that is taking a walk through the forest and runs into a hungry fox, then an owl, and then a snake. To avoid getting eaten, the mouse invents the Gruffalo!

This rainbow bubble foam was the best! Usually, I make one batch for my toddler and let him play in a dry bath tub with it. The day I took these pictures, I was feeling especially foam generous and made FOUR batches so we could have rainbow bubble foam. It was totally worth the small amount of effort because it was completely awesome to play in that much foam.

Strategy #1. Play With Number Toys . It's a proven fact; kids learn best when they play! Hands-on learning is by far the best way for kids to learn their numbers because they can manipulate an object themselves. But you can't just count out loud to your toddler and expect them to recognize numbers.

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.
