International AS/A Levels (IAL) are globally recognised qualifications which open doors to top universities worldwide. Available for 21 subjects, they have a modular structure, yet remain comparable to GCE AS/A levels, as confirmed by NARIC, the national agency responsible for providing information and expert opinion on qualifications and skills worldwide.

Our International Advanced Level in Chemistry replaces the international version of the Edexcel GCE A level in the subject. Covering laboratory skills and the core chemical principles, the Edexcel International Advanced Level in Chemistry is designed to be studied over two years, with the option of a one-year AS level course.
