A car chase is the vehicular overland chase of one party by another, involving at least one automobile or other wheeled motor vehicle in pursuit - commonly hot pursuit of suspects by law enforcers. The rise of the automotive industry in the 20th century increased car ownership, leading to a growing number of criminals attempting to evade police in their own vehicle or a stolen car.

7. If You Want Him to Chase - Never Give Up Running. Men not only love the thrill of the hunt or "chase" in the beginning...they always do love it, now and forever, and even years into the future of the relationship. Men may like some routines but they don't like to settle down to a life of boredom. They want mystery.
